ABSTRACT

This document contains a list of microcomputer courseware titles which appeared on the Advisory Lists of Computer Courseware between January 1986 and November 1990. Courseware is first presented alphabetically by title with producer, grade level, and reference for the full citation included. Courseware is then presented by the following subject areas: (1) Arts Education (8 titles); (2) Computer Literacy (10 titles); (3) Communication Skills (125 titles); (4) Guidance (5 titles); (5) Healthful Living (9 titles); (6) Mathematics (120 titles); (7) Media (22 titles); (8) Management (5 titles); (9) Multiple Subject Areas (9 titles); (10) Problem Solving (13 titles); (11) Programming (2 titles); (12) SAT Preparation (9 titles); (13) Science (83 titles); (14) Social Studies (70 titles); (15) Utility (34 titles); (16) Vocational Education (12 titles); and (17) Word Processing (1 title). Again, each listing includes producer, grade level, and reference for the full citation. (DB)

INDEX TO COURSEWARE ON ADVISORY LISTS

JANUARY 1986 - NOVEMBER 1990

The attached title and subject area indexes list microcomputer courseware titles which appeared on the Advisory Lists of Computer Courseware between January 1986 and November 1990. Many recommended courseware titles do not appear on this index since they were included on advisory lists prior to January 1986.

The "List" column on the index refers to the Advisory List of Computer Courseware, where a full evaluation of the title appears. The evaluation provides information about versions of titles for different computers and required equipment. Computer courseware on compact discs (CD-ROM) now appears on advisory lists and is included on these indexes.

Local vendors are not identified here but are named on the advisory lists. These vendors often are able to provide services such as special purchasing arrangements, convenient previewing, and rapid response to problems encountered with a package.

In the near future an additional courseware index will list titles by grade levels.
